**Announcement—Request for Proposals
Biodiesel (B20) Incentive Program Grants**

Prospective Applicants:

The Energy Office, Office of Policy and Legislative Affairs is re-opening the solicitation for grant proposals for the **Biodiesel Incentive Program**. The purpose of the **Biodiesel Incentive Program** is to encourage Michigan County Road Commissions and Public Transit Agencies to demonstrate the use and benefits of biodiesel (B20) fuel in their operations by offering incentives to help pay a portion (up to 75%) of the incremental cost difference to purchase biodiesel fuel compared to diesel fuel. Forward your request to the contact person listed below to receive a copy of the Request for Proposals (RFP)

Questions About the RFP

Questions concerning this RFP must be submitted in writing (email is acceptable) by Tuesday, February 14, 2005, to the contact person listed below.

Proposal Due Date

Proposals must arrive by 4 p.m. on Tuesday, March 1, 2005, at the address listed below. Please send one original signed copy of the proposal, plus four additional copies. Emailed materials cannot substitute for signed originals.
